## USER GUIDE

### Setup:

Step 1) Clone or download zip from <https://github.com/raymondng76/IRS-MR-RS-2019-07-01-IS1FT-GRP-Team10-LevelUp>

Step 2) Install Anaconda from [www.anaconda.org](http://www.anaconda.org)

Step 3) Launch Anaconda prompt from start menu (right click and run as administrator)

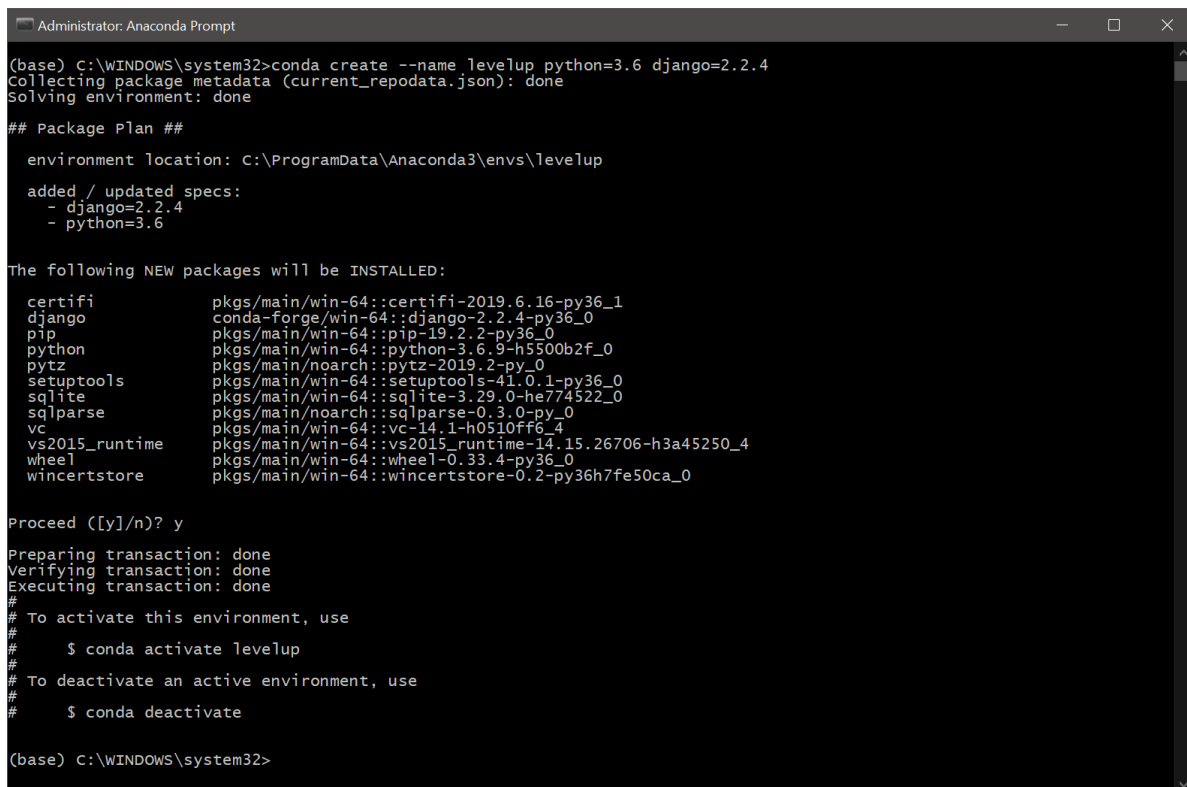

Step 4) From the Anaconda prompt console, enter the following command to add the conda-forge channel to conda.

```
conda config --append channels conda-forge
```

Step5) From the Anaconda prompt console, enter the following command to create a virtual environment.

**conda create --name levelup python=3.6 django=2.2.4**

```
Administrator: Anaconda Prompt
(base) C:\WINDOWS\system32>conda create --name levelup python=3.6 django=2.2.4
Collecting package metadata (current_repodata.json): done
Solving environment: done

## Package Plan ##

  environment location: C:\ProgramData\Anaconda3\envs\levelup

added / updated specs:
  - django=2.2.4
  - python=3.6

The following NEW packages will be INSTALLED:

certifi                pkgs/main/win-64::certifi-2019.6.16-py36_1
conda-forge/win-64::django-2.2.4-py36_0
pip                    pkgs/main/win-64::pip-19.2.2-py36_0
python                 pkgs/main/win-64::python-3.6.9-h5500b2f_0
pytz                   pkgs/main/noarch::pytz-2019.2-py_0
setuptools              pkgs/main/win-64::setuptools-41.0.1-py36_0
sqlite                  pkgs/main/win-64::sqlite-3.29.0-he774522_0
sqlparse                pkgs/main/noarch::sqlparse-0.3.0-py_0
vc                      pkgs/main/win-64::vc-14.1-h0510ff6_4
vs2015_runtime          pkgs/main/win-64::vs2015_runtime-14.15.26706-h3a45250_4
wheel                   pkgs/main/win-64::wheel-0.33.4-py36_0
wincertstore            pkgs/main/win-64::winertstore-0.2-py36h7fe50ca_0

(levelup) C:\WINDOWS\system32>
```

Step 8) Install Django-Widget-Tweaks package with the following command.

**pip install Django-widget-tweaks**

Step 9) Navigate to the **Level\_Up** folder of the cloned Github project.

Step 10) Enter the following command to start the Django server.

**python manage.py runserver**

```
Anaconda Prompt - "C:\ProgramData\Anaconda3\condabin\conda.bat" activate levelup - python manage.py runserver
(levelup) D:\Workspace\GitHub\IRS-CS-2019-07-29-ISIFT-GRP-TeamName-LevelUp\SystemCode\Level_Up_Chatbot>python m
manage.py runserver
Watching for file changes with StatReloader
Performing system checks...

System check identified no issues (0 silenced).
August 24, 2019 - 11:00:33
Django version 2.2.4, using settings 'Level_Up.settings'
Starting development server at http://127.0.0.1:8000/
Quit the server with CTRL-BREAK.
```

Step 11) Open any web browser and navigate to <http://localhost:8000> to visit the project home page.

## Test Case

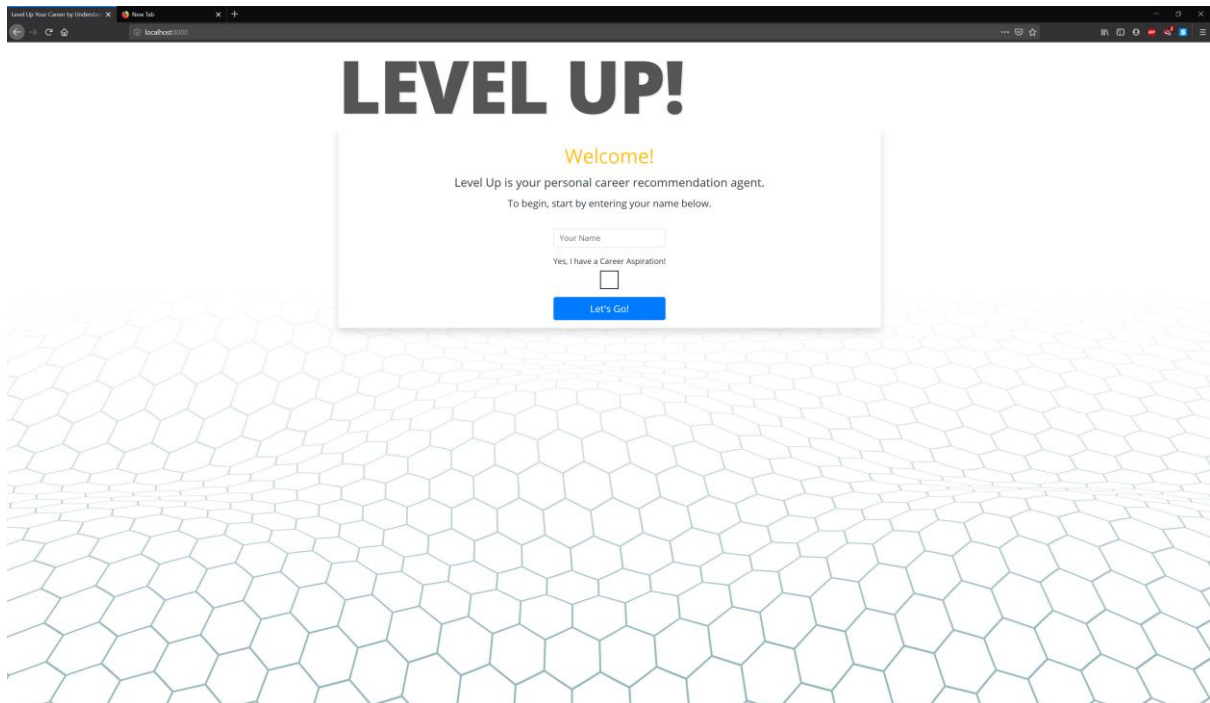

Test ID	Test case	Test case description	Test Step	Test Step Description	Expected Result
			Pre-Condition	Ensure django web server is started	The Level Up Career Recommendation site launched successfully
1	Validate career path availability	Test if there is available career path from initial career position to desired end goal	Step 1	Key in your name in the main page, put a <b>tick</b> on the checkbox and click Let's go	User details are requested on the subsequent webpage
			Step 2	Fill up user details (e.g., Highest education level: <b>Bachelor Degree</b> , YearsExp: <b>1</b> , Current work position: <b>Software Engineer</b> , <b>Tick</b> the checkbox for management role preference) and click submit	Career aspiration is requested
			Step 3	Select <b>Software Director</b> as the aspired career goal and click submit	User skills information is requested
			Step 4	Select <b>C</b> as skill 1 and click submit	Career path is returned, expected to see the best career path as such: <b>Software Engineer, Solution Architect, Senior Software Manager, Software Director</b>

2	Validate personality test functionality	Examine if personality test is returned when career aspiration is unchecked	Step 1	Key in your name in the main page, <b>untick</b> the checkbox and click Let's go	User details are requested on the subsequent webpage
			Step 2	Fill up user details (e.g., Highest education level: <b>Bachelor Degree</b> , YearsExp: <b>1</b> , Current work position: <b>Software Engineer</b> , <b>Tick</b> the checkbox for management role preference) and click submit	Personality test is returned
3	Validate career end point recommendation	Test if career end points are proposed after completing the personality test	Step 1	Follow <b>Test ID 2</b> and select the first answer for all 20 questions and click submit	Career End Point is proposed. Expected to see 3 suggested positions: <b>Senior Director, Senior Sales Director, Senior Software Director</b>
4	Validate job recommendation	Check if job is recommended	Step 1	Follow <b>Test ID 1</b>	Available job for application is displayed, expected to see <b>MNC Application Consultant (Solution Architect)Java / J2EE / X2 Permanent Opening</b>
5	Validate course recommendation	Check if course is recommended	Step 1	Follow <b>Test ID 1</b>	Available course for application is returned, expected to see a <b>list of suitable courses</b> for registration

## Walkthrough

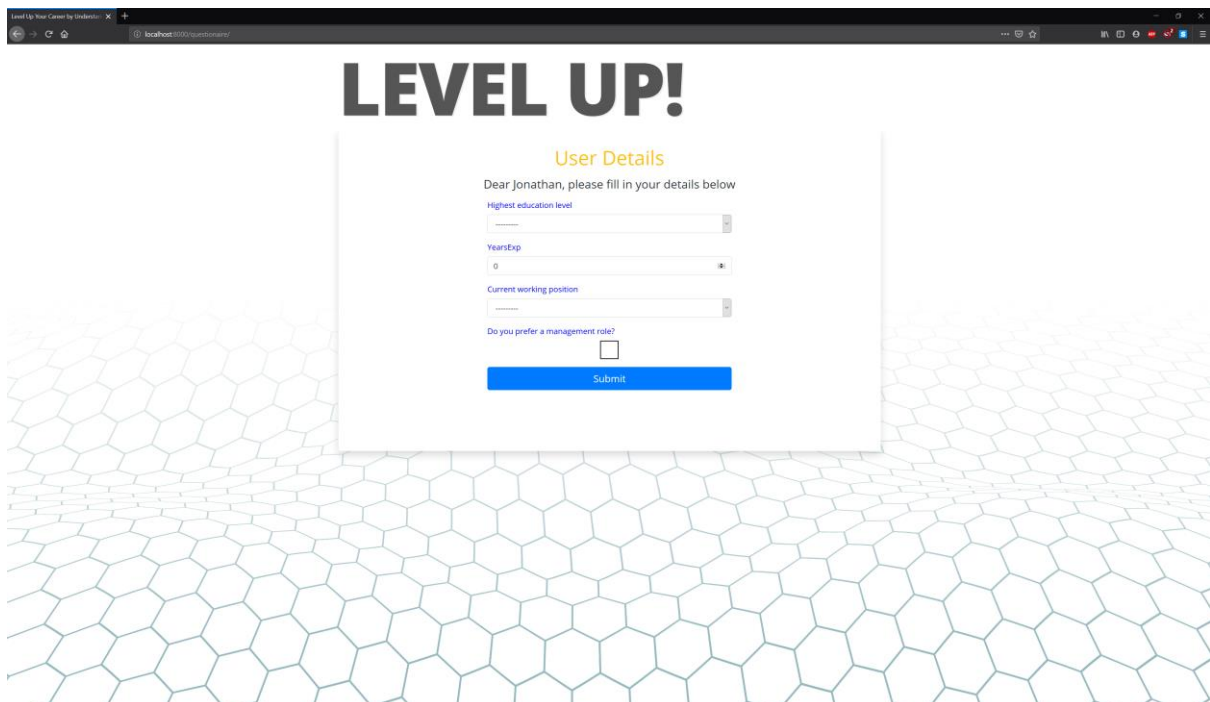

### Workflow without Career Aspiration

- 1) Enter your name in the textbox provided and click the 'Let's Go!' button

The screenshot shows a web browser window with the URL `localhost:3000`. The page has a large, bold title "LEVEL UP!" at the top. Below the title, there is a "Welcome!" message in yellow. The text "Level Up is your personal career recommendation agent. To begin, start by entering your name below." is displayed. There is a text input field labeled "Your Name" and a checkbox labeled "Yes, I have a Career Aspiration:". Below the checkbox is a blue button labeled "Let's Go!". The background of the page features a white hexagonal pattern on a light blue gradient.

- 2) Select education level, current working position and enter your years of working experience. Check the 'Prefer a management role' checkbox per your preference. Click the 'Submit' button once done.

The screenshot shows the same web browser window, but the page has advanced to the "User Details" section. The title "LEVEL UP!" remains at the top. Below it, the heading "User Details" is in yellow. The text "Dear Jonathan, please fill in your details below" is displayed. There are three dropdown menus: "Highest education level", "YearsExp", and "Current working position". Below these is a checkbox labeled "Do you prefer a management role?". At the bottom is a blue button labeled "Submit". The background pattern is the same white hexagonal pattern on a light blue gradient.

- 3) Fill in your answers for the next two pages (10 questions per page) and click the 'Submit' button once you are done. Please note that all questions must be answered in order to progress to the next page.

**LEVEL UP!**

Questionnaire - Part 1

Dear Jonathan, please complete the questionnaire below:  
(10 of 20)

You feel it's worse to be more  
-----

In friendships, you'd rather have  
-----

For everyday work, you'd rather  
-----

When talking to strangers, you speak  
-----

When with other people, you  
-----

You take more pride in your  
-----

You're more interested in  
-----

You prefer to live life more  
-----

You do routine tasks  
-----

Common sense is more of a  
-----

Submit

**LEVEL UP!**

Questionnaire - Part 2

Dear Jonathan, please complete the questionnaire below:  
(20 of 20)

You're more influenced by your  
-----

You judge others by  
-----

In dealing with others, you're more  
-----

In making decisions, what's more comfortable  
-----

You'd rather give someone feedback based on  
-----

When you make choice, is it  
-----

What's worse, having projects  
-----

For events, you prefer  
-----

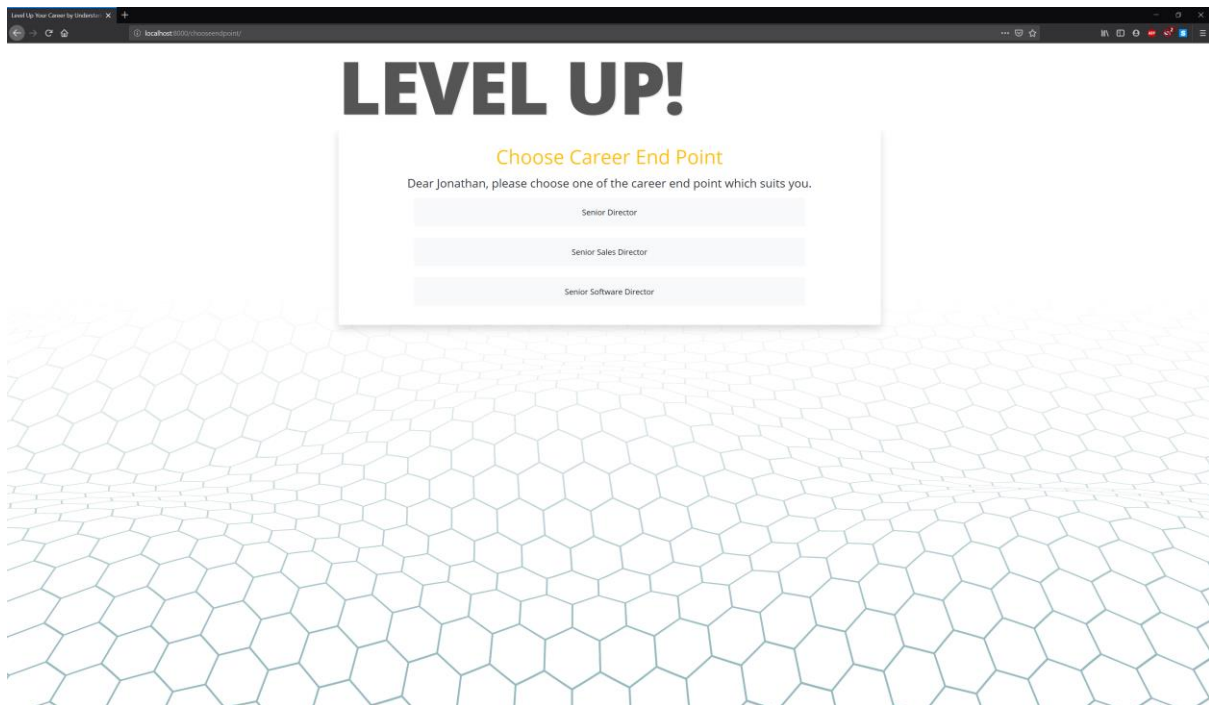

When shopping, you get more pleasure from  
-----

You prefer statements to be  
-----

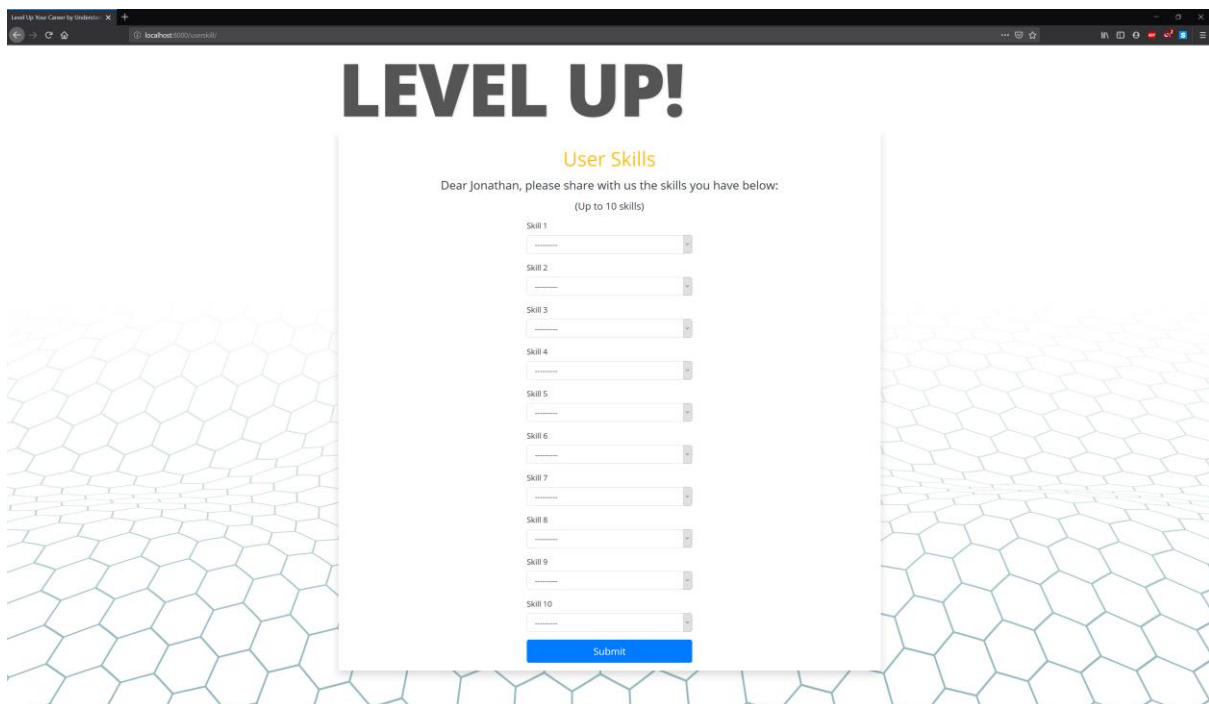

Submit

- 4) After submitting all previous questions, 3 possible career end points will be shown, click on the role you think you are most suited to continue.

5) Next fill in your skill sets (up to 10 skills) and click the 'Submit' button.

6) The career roadmap will now be shown, showing the best career path, job as well as course recommendations. Click on the respective job and course link to view their respective website.

## Workflow with Career Aspiration

- 1) Enter your name in the textbox provided and check the 'Yes, I have a Career Aspiration!' checkbox and click the 'Let's Go!' button

- 2) Select education level, current working position and enter your years of working experience. Check the 'Prefer a management role' checkbox per your preference. Click the 'Submit' button once done.

The screenshot shows a web browser window with the title 'Level Up Your Career by Unilever'. The URL is 'localhost:8000/questionary/'. The page has a large 'LEVEL UP!' heading at the top. Below it, a white box contains the 'User Details' section. The text 'Dear Jonathan, please fill in your details below' is followed by four form fields: 'Highest education level', 'YearsExp', 'Current working position', and a checkbox for 'Do you prefer a management role?'. A blue 'Submit' button is at the bottom of the form. The background of the page is a light blue hexagonal pattern.
